Red Cross community endorsement, July 2008

---

Red Cross

“Kevin and Kathy Young are investing in the lives of homeless young people through a supported long term learning and development program. Participants will be provided with an individually tailored plan to assist them with the transition from complex personal issues towards readiness for positive participation in society.

We applaud Kevin and Kathy’s community-mindedness and acknowledge the enormous difference their generosity will have on the lives of young people currently living on the streets.”

Mr Greg Goebel

Executive Director Red Cross
